To celebrate International Day for Biological Diversity Day in this lockdown situation Telangana State Biodiversity Board (TSBDB) in collaboration with Lee Shreyas NGO organized several online awareness campaigns for the school /college students and common people about

biodiversity conservation and its sustainable Utilization with reference to this year's theme 'Our solutions are in the nature'.

As this is the 27<sup>th</sup> year of IBD Day thus the board organized 27 online campaigns started from 29 April to 22 May 2020. The campaigns involved poster, essay, quiz, paper presentation, elocution, slogan writing, pledge on Biodiversity, article on festivals related to Biodiversity & traditional Medicinal Knowledge / Our solutions in nature, capture the nature, song & dance on biodiversity pledge, youth talks, slogan, mobile application on biodiversity of Telangana development, traditional/natural food cooking competition. The detailed list with dates is given below. Board also conducted webinars on women in Biodiversity with Dr. Nellima Jharrat Director General Pushpa Gujral Science City, Punjab, Dr. Poonam Jayant, Senior Scientist National Bureau of Fish Genetic Resources (NBFGR), Lucknow and Dr. C. Suvarna IFS, Chief Executive National Fisheries Development Board, Hyderabad, NSS training on PBR preparation, Science & Traditional Knowledge by Dr. Kanna S. Sripharu, WASSAN, Healthy food, agriculture & Biodiversity by Dr. Dinesh Balam, Associate Director, WASSAN, Different ways of Biodiversity Conservation by Sri. Kunal Satyarthi, IFS Director Central Academy for state Forest Service, Dehradun, People Culture & Biodiversity by Smt. Sushma Iyengar and Action for Biodiversity with special reference to 'Our solutions are in nature' by Sri. Achalender Reddy, IFS Former Secretary National Biodiversity Authority (NBA), Chennai and around 300 participants in each session across the country and abroad joined the webinar and had a fruitful interaction with the speakers.

The most unique event by the TS Biodiversity Board was the Biodiversity Youth Parliament to build leadership quality in the youth to promote biodiversity on 14 May 2020. Around 100 students across the Telangana State joined the webinar and 70 students participated and presented their ideas about biodiversity conservation and its sustainable utilization.

### **virtual Celebration on 22 May 2020:**

On 22<sup>nd</sup> May, 2020 Telangana State Biodiversity Board in collaboration with Lee Shreyas NGO organized a virtual webinar to celebrate International Day for Biological Diversity by involving Biodiversity Management Committee members, Government officials, ICAR institutes, Scientist, school & college students, professors, NGO's, and media. Around 500 people from across Telangana and the country joined the virtual celebrations.

Sri. Kalicharan S. Khartade, IAS Secretary, Telangana State Biodiversity Board presented the welcome address and appraised about the online activities throughout the month.

Smt. R. Shobha, Pril. Chief Conservator of Forest (HoFF) the guest of honor talked about the importance of Biodiversity.

A Telugu song about Biodiversity Conservation and its Utilization was also launched by the chief guest for maximum awareness among common people.

Dr. Rajat Kumar, IAS Principal Secretary, I&CAD, EFST Dept. and Chairperson Telangana State Biodiversity Board was the Chief Guest for the virtual program.

The Hon'ble Minister for Environment, Forests Science and Technology, Endowments and Law Departments Sri. Allola Indrakaran Reddy has forwarded a record message for the International Day for Biological Diversity.

TS Biodiversity Board also made a successful record attempt in Asian Record Book for 8000 plus participants all together in all the online events.

We have also created awareness through FM Radio Mirchi 92.7 and FM 94.3.

As this year's theme for Environment day is 'celebrating Biodiversity Time for nature' thus we celebrated this day also in virtual mode. A webinar was organized and Sri. Rajendra Singh The Waterman of India was the speaker of the day. Board also launched a poster for Ocean Day to create awareness for Ocean Biodiversity Conservation. Around 300 participants were present in the webinar including the Biodiversity Management Committee Members across the state.
