TELANGANA STATE BIODIVERSITY BOARD

UNEP – GEF – MoEF&CC-ABS Project

"Strengthening the Implementation of the Biological Diversity Act and Rules with focus on its Access and Benefit Sharing Provisions"

Introduction about the project

The Telangana State Biodiversity Board is implementing UNEP-GEF-MoEF&CC-ABS Project title - ***"Strengthening the Implementation of the Biological Diversity Act and Rules with focus on its Access and Benefit Sharing Provisions"***. The GEF project on ABS is the first ever global project - a programme to access genetic resources, assess their economic value and share the benefits arising out of them among the local people. The project aims to assess and quantify the economic value of biological resources at local, state and national levels using appropriate methodologies to determine benefit sharing which will help in better implementation of the Biological Diversity Act, 2002 and its Rules 2004.

Report on "One day District level Training programme on Biological Diversity Act,2002, TSBDB Rules, 2015 with focus on Access and Benefit Sharing provision" held on 29-09-2016 at TSBDB office, Chandravihar, Nampally, Hyderabad Dist., Telangana:

Under the project the Board has created awareness to the local bodies and in 10 districts of Telangana State. As part of the project activity the Board has organized a Warangal district level training programme on 29-09-2016 at TSBDB office, Chandravihar, Nampally, Hyderabad Dist., Telangana.

OBJECTIVE OF THE TRAINING

To increase awareness among the local people, BMC Members in order to effectively implement the Biological Diversity Act -2002 and Telangana State Biological Diversity Rules 2015 and to achieve biodiversity conservation through implementing ABS mechanisms in the Telangana State.

Dr. Shilpi Sharma, RBC, TSBDB, gave a brief discussion on need for conservation of Biodiversity and gave a detailed note the roles and responsibilities of the BMC's. The madam also requested the BMC members to make aware the public regarding the need for conserving the Biodiversity.

After that Mr. Deepak.R , Senior Field Research cum Education Officer, WWF India, Hyderabad gave a brief note on the conservation of wildlife and also gave note on the sustainable agriculture and its need. He also gave a key note on the conservation of the nature and the reactions of environmental pollution made by human and the consequences.

Mr. G. Sailu, State Project Coordinator, Telangana State Biodiversity Board welcomed the gathering and briefed about the provisions of the Biological Diversity Act, 2002, Rules for access to biological resources and/ or associated knowledge and highlighted the need for conservation of biological resources from the exploitation. The State Project Coordinator has shared various experiences and interacted with the members of the BMC

The training programme was concluded by discussions and clarified the doubts.
